

ClickBank Advertising – Terms & Conditions

- Only ClickBank approved products can be promoted through advertising channels.
- All products and promotions, including any statements, claims, comments or messages must be fully compliant with Your country's laws and with U.S. federal and state laws, including U.S. Federal Trade Commission regulations, policies and guidelines governing advertising, disclosure and consumer protection. To view related materials, please visit www.ftc.gov.
- Advertisement must adhere to all ClickBank policies and procedures. To view, [click here](#).
- Advertisers are allowed to state how much they have made using certain techniques but cannot guarantee, promise, or imply that someone will make a specific amount of money by using those same techniques.
- Advertisement cannot promote bonuses and/or prizes not supported and sold through ClickBank.
- Advertisement cannot request a mandatory email opt-in in order to access affiliate and/or sales promotional information.
- All advertising creative, including landing page, is subject to ClickBank approval.
